RE: Additional Ratification Vote Date for the Prairie Region

Cousins and Comrades,

In order to accommodate Prairie Region members who experienced issues with the voting procedures or did not have/lost their PIN, there will be an opportunity to attend a final ratification vote meeting on **Friday, September 3, 2021**. The three meeting times are listed below:

Alberta & Saskatchewan	Manitoba
9:00 AM MDT – Urban & RSMC	10:00 AM CDT – Urban & RSMC
1:30 PM MDT – Urban & RSMC	2:30 PM CDT – Urban & RSMC
6:30 PM MDT – Urban & RSMC	7:30 PM CDT – Urban & RSMC

This is for all member in the Prairie Region; it will not be an individual local meeting. All locals have had scheduled meeting dates and we recognize that some members, for technical or other various reasons, were not able to vote at their respective meetings. This is the only way we are able to allow those members that were unable to vote to do so, as it is the final day for all ratification votes to be completed.

The meetings will be a combined presentation of the URBAN & RSMC offers of renewal of the collective agreements. There will be the opportunity after the NEB presentation to ask any questions that you may have.

You will require your PIN number in order to vote, which you would have received by mail and/or email.
